

Peter Frost is Natural Resources Wales' Senior Urban Advisor. His work is to find ways to ensure there are enough green spaces of the right kinds in the right places to make Wales' towns and cities better places for people and nature. He introduced the Accessible Natural Greenspace Standards to Wales and was responsible for the development of the toolkit used to assess those standards. He represents NRW on the Welsh Government's Pollinators Task Force and founded and manages the Wales Green Infrastructure Forum. He has been a Green Flag Award judge since 2007. He served as the representative for Wales on the UNESCO UK Man and the Biosphere Committee.
